ALLIED AIRMEN DEAL MIGHTY BLOWS TO AXIS

Enemy Loses 86 Aircraft in Fight Off Tunisian Coast

By DANIEL DE LUCE

Allied Headquarters in North Africa, April 19.—(AP)—Allied warplanes blasted down 85 Axis aircraft yesterday, including 58 Junkers-52 transports and 16 fighters caught over the Sicilian Straits in the greatest single air victory of the war in this sector, and followed up by destroying 10 more transports and a Messerschmitt fighter today.

The blazing air attacks on the enemy's vital air transport service across the Sicily Straits still were continuing.

Up to 10 a. m. the day's score stood at ten Junkers-52 transports and one Messerschmitt-109 shot down, making the two day total of 68 transports and 28 other planes destroyed. In the past two weeks 159 of the Junkers-52's have been destroyed.

The Allied aerial squadrons were striking lethally in support of Gen. Sir Harold Alexander's 18th Army group raids from the Enfidaville line to Palermo.

(A dispatch from Cairo said the transports were laden with enemy personnel and heading northeastward toward Sicily when the trap was sprung. The dispatch did not bring out whether the passengers were Axis troops, which Axis broadcasts have said will stay and fight it out, or non-combatant and technical forces such as might be expected to be removed before the Allied noose tightens further.)

Warhawk and Spitfire fighters engaged 100 enemy transport aircraft and their escort and, in addition to the 74 destroyed, 30 other planes were reported damaged. This was but one of a series of exploits in which Allied airmen and ground gunners shot down 85 Axis planes during the day and night.

Sardinian, Sicilian and Tunisian targets were heavily attacked. Flying Fortresses left large fires burning in the freight yards and an air field at the Sicilian port of Palermo and a communiqué said that "bombs were seen to burst among enemy fighters that had just landed from an attack on the ebbing formation of Fortresses."

United States and South African jets of the western desert air force hunted across the Sicilian Straits into the Mediterranean to score the spectacular blow against Marshal Erwin Rommel's vital shipping facilities.

The huge formation of Junkers 52's strong fighter protection was sighted flying toward Sicily almost sea level.

Warhawk squadrons dived as a single unit at the lumbering transports, while the Spitfires engaged a covering Messerschmitts.

Many transports fell into the sea, leached in flames. Others deliberately crash-landed on Cap Bon, just into the Mediterranean miles northeast of Tunis.

Cairo and Allied headquarters ports disagreed as to whether seven or eight attacking planes were shot down. The discrepancy perhaps was due to a lag in communications or misidentification at Allied headquarters of the safe landing of two of the craft which were listed in Cairo as still missing.)

The greatest previous victory in the African campaign was scored by Americans recently when 63 enemy aircraft were destroyed. Yesterday's total bag of Axis aircraft.

Tokyo Raid Anniversary Observed

Somewhere in North Africa, April 18.—(Delayed)—(P)—Major James H. Doolittle and 13 others who accompanied him on the flight over Tokyo and now are living under him in this theatre celebrated the first anniversary of famous raid today with winner a farmhouse near advanced headquarters.

The general spent the day working before leaving for the party. Captain of the group, Capt. William Pound, Jr., of Kents Store, Va., Capt. Howard A. Sessel of Arlington, Mass., went on missions later in the day.

All said they were glad they were serving under Doolittle who hoped to strike again at Japan under his command—when the next campaign is finished.

Pittsburgh, April 19.—(P)—William T. Rees, 71, who rose to private to major in the Pennsylvania National Guards, announced he would retire May 1 as clerk in the Allegheny county recorder's office, after 20 years' service. He formerly was chief clerk of county commissioners.

Rees fought in the Spanish-American War and the first World War and saw service on the Mexican

CHIEFS UNABLE TO AGREE ON PAY-GO PLAN

Attempts to Work Out Acceptable Tax Proposal Over Weekend Meet With Failure

COMMITTEE TO MEET

By FRANCIS M. LE MAY
Washington, April 19.—(P)—Notwithstanding optimistic prophecies by congressional leaders, Republicans supporting the modified Rural plan to skip an income tax year and the opposing Democrats still are far apart today in their friendly joint search for a pay-as-you-go compromise.

Having reached no agreement in night and Sunday conferences, the "compromise committee"—composed of ranking members of both parties on the ways and means committee—arranged a meeting with Speaker Rayburn (D-Tex.), Republican Leader Martin of Massachusetts and Democratic Leader McCormack of Massachusetts, with the hope of a middle-ground can be found.

While members of the compromise group declined to speak for publication, the situation apparently could be summed up like this:

Democrats—Favor a plan originally suggested by ways and means Chairman Doughton (D-N.C.) to apply the much softer 1941 rates and exemptions to 1942 income, and amortize the reduced liabilities for that year over a period of years. This would wipe out the 1942 obligation completely for some 7,000,000 taxpayers and mean a substantial reduction in the liabilities of others, while putting all taxpayers on a pay-as-you-go basis.

Republicans—want a plan that would abate three-quarters of one year's taxes, to ease the transition to a current payment basis. The (Turn to Page Nine)

Germans Are Stiffening In Cuban Region

Trying to Hold Positions Against Red Drive to Push Them Into Sea

SUFFER HEAVY LOSSES

By EDDY GILMORE

Moscow, April 19.—(P)—The Germans are stiffening their ground forces in the Cuban region of the Caucasus with large air units in an effort to hold their positions against a Red army drive to push them into the Black Sea, a dispatch to Pravda said today after the Russians had thrown back repeated German counterattacks.

Twenty-five enemy planes were shot down and eight more crippled yesterday alone in air battles in this sector as crack Soviet pilots thwarted enemy attempts to raid the Red army positions, Pravda said.

Enemy ground troops, concentrating their forces, launched a combined attack on Soviet positions. Two German infantry regiments, supported by tank and air units, hammered without success at Soviet front lines, it was reported. Pravda said the Germans often advanced walking upright with fire from Soviet heavy mortars and rifles pouring into their ranks.

Rommel May Be Trying To Withdraw His Army

Cairo, April 19.—(P)—Military quarters said today that 51 of the 74 Axis planes shot down in the aerial battle of the Sicilian Straits yesterday were Junkers transports carrying troops out of Tunisia.

Whether this was the beginning of an effort by Field Marshal Erwin Rommel to withdraw his army before the United States, British and French forces can close in upon Tunis and Bizerte was not clear, but the engagement offered a preview of what could be expected if he tried a full-scale evacuation.

(Neither was it brought out whether the Axis troops aboard the transports were from the armed services or from uniformed non-combatant and technical detachments.)

Harmon Being Treated For Exposure at Base Hospital

Ann Arbor, Mich., April 19.—(P)—Lieut. Tom Harmon wandered alone in the jungles of Dutch Guiana for four days after the crash of his army plane before being rescued by a party of natives and taken to a Dutch Guiana base hospital, his former football coach at the University of Michigan learned today.

The former Michigan All-American halfback is now receiving treatment for exposure in the base hospital and other members of the crew of his twin-engine bomber are still missing, Coach Herbert

Ship Welder Goes to Pen For Sabotage

Baltimore, April 19.—(P)—A 20-year-old shipyard welder, one of ten arrested on charges of sabotaging ships by doing defective work, was sentenced to one and a half years' imprisonment today by a judge who declared war workers "must be made to realize the importance of their work."

Federal prosecutors said they believed it was the first such conviction and sentence in the nation.

George Arnold Steele, formerly of Franklin Furnace, O., was convicted last week of improperly welding a total of 660 inches of ship steel while employed at the Bethlehem-Fairfield Shipyard, Inc.

The other nine men, all arrested within two days last week, have been held under \$5,000 bail for further hearings April 22.

Federal Judge William C. Coleman, specifying that Steele must serve his sentence in a reformatory to be designated by the U. S. attorney general, declared:

"What you have done is serious—very serious. Persons in war work must be made to realize the importance of their work. If they cannot realize it they should not be there."

Steele, who glanced up from the floor only once or twice during Judge Coleman's remarks, told the court he had nothing to say beyond what he had already said. Steele maintained he had not intended to commit sabotage, but wanted to increase his wages.

Shortly before Steele was sentenced, Lester Bishop, 27, native of Warfordsburg, Pa., was ordered held under \$5,000 bond for further hearing April 22 before a U. S. commissioner, along with the eight others arrested last week. He pleaded innocent.

Expect Nazi Subs To Sow Mine Fields

Activities Off American Coastal Waters This Spring Anticipated

PATROLS EFFECTIVE

By JOHN M. HIGHTOWER

Washington, April 19.—(P)—Naval experts said today that German submarines might resort to extensive use of mines in American coastal waters this spring or summer as part of their offensive against United Nations shipping.

This would mean, for the present war, a new development of U-boat tactics on this side of the Atlantic. The undersea raiders employed mines over here last summer, but only to a very limited extent.

What makes their use much more likely this year, authorities said, is the increased effectiveness of United States off-shore anti-submarine weapons. Planes, blimps and small boats in numbers many times those available a year ago now patrol the coastal sea lanes and give hour-by-hour protection to plodding convoys.

By the end of last summer these patrols had forced the U-boats to quit American waters, but navy men have repeatedly warned that they will probably be back.

What may have been the opening shot in the new campaign was reported by the navy April 10 in a press release disclosing the torpedoing of a merchant ship off the east coast. It was the first such sinking announced since last August.

The German admiralty's plans for this year's U-boat offensive must have counted the cost of much more powerful opposition and in the circumstances are probably the Germans' ace in the hole.

W M C Order Given Airing

Philadelphia, April 19.—(P)—Labor's objections to War Manpower Commissioner Paul McCord's action in freezing essential workers in their present jobs were due for an airing today before a meeting of the regional advisory board of the W.M.C.

James L. McDevitt, president of the Pennsylvania Federation of Labor, promised the action yesterday in a speech at a legislative conference of the South Jersey Industrial Council in Camden, N. J. Under the order, he said, workers now are "chained" to their jobs.

BLASTING OPERATIONS FOR HUGE PIPELINE

Marietta, Pa., April 19.—(P)—Rock drills hammered new holes in the bed of the Susquehanna river today as engineers prepared for another in a series of three major blasting operations which will excavate a trench to carry the Illinois-east coast pipeline underneath the river.

Water and rock were splattered over a half-mile area Saturday as the first blast, in which six tons of dynamite was used, ripped a 425-foot ditch in the river. E. T. Wolff, engineer in charge, estimated the three explosions would require 30 tons of dynamite. The completed trench will be 2,000 feet long.

COMPROMISE SOUGHT ON FILBUSTER

Hopes for Early Adjournment of Legislature Rest On Outcome of Party Caucuses

TAX JOB IN BALANCE

Harrisburg, April 19.—(P)—Hopes for early adjournment of the Pennsylvania legislature today rested on the outcome of party caucuses on a suggested conference of leaders who would seek a compromise to end the week-long Democratic filibuster.

"I am in hopes the ridiculous filibuster will be over when we convene," declared senate Republican Leader Weldon B. Reymann following a conference with legislative chiefs of his party.

On the other capital front, H. Raymond Mason, state director of the U. S. Employment Service, urged farmers to report on how many farm workers they will need this summer, issuing the statement after a weekend conference of farm placement representatives on the agricultural labor problem.

The Pennsylvania commerce department predicted brick companies' experiments may develop a new source of sponge iron as a substitute for steel scrap and also provide new work for brick plants affected by the building construction slump.

The suggestion that Republican and Democratic leaders get together and settle their legislative differences was made by Governor Martin who has declined to intervene in the minority party bill-reading filibuster.

A Republican leader, who asked that his name not be used, denied a report that his party was ready to postpone the effective date of a house-approved bill calling for transfer of some 400 tax inheritance jobs from the auditor general to the department of revenue.

Democratic legislators, meanwhile, were urged by James E. Clark, Philadelphia Democratic chairman, to reject any such offer as a compromise to end the bill-reading slow-down.

Declaring the reported offer was aimed at ending the protest, Clark asserted "the trap is in the form of a proposal that if the Democrats will agree to permit the repeal and gerrymanders and grab jobs to go through, Republicans will drop their plans for taking (Turn to Page Nine)

SHERIFF OF CARBON COUNTY FOUND GUILTY

Mauch Chunk, April 19.—(P)—Sheriff Nathan C. Pollock of Carbon county was free under \$2,000 bail today pending arguments Thursday on his motion for a new trial on conspiracy charges. He was found guilty Saturday.

The jury, which deliberated 19 hours, found Pollock innocent on charges of blackmail and extortion, and recommended leniency on the conspiracy count.

Pollock was indicted in connection with an alleged plot to obtain money for protection of slot machines in Carbon county clubs.

ERIE AVIATOR SCORES UNUSUAL DIRECT HIT

Washington, April 19.—(P)—Major Philip Cochran, of Erie, Pa., personally "welcomed" a German general to a North African town. Learning that the Nazi officer had established headquarters in a building in the town, the war department reported, Cochran took off from an advanced air base in a P40 Warhawk and scored a direct hit on the building with a 500-pound bomb.

Pittsburgh to Have "Salute" to Hitler

Pittsburgh, April 19.—(P)—Twenty-five thousand "bombs" will be dropped on the city of Pittsburgh tomorrow, in a birthday "salute" to Adolf Hitler.

The raid will be staged by 12 civilian air patrol planes, commanded by Capt. W. W. Castor, with the "bombs" made of paper, and bearing this inscription:

"Buy a bond and drop a bomb on Shickelgruber for his birthday greeting."

Salvage Committee Completing Plans For Tin Can Pickup Here on Wednesday

Are your cans ready? Are they properly processed? Are they in containers, ready to be placed on the curb?

They should be ready NOW, says W. T. Corbett, Chairman of the Salvage Committee, so that there will be no last-minute delays or slip-ups. Here are some official "Don'ts" from Mr. Corbett: DON'T wait till the last minute. Trucks must not be delayed. DON'T fail to have your containers on your curb early Collection Day, Wednesday, April 21. Warren County must gather a carload of cans on that day. By sundown there should not be an empty can left in any home in the county.

Trucks will pick up cans at Sheffield schools and also at the curb on this same date, also in Clarendon, Tiona, Saybrook and Weld-

bank, Columbus, Bear Lake, Lottsville, Wrightsville, Spring Creek, East Branch, Grand Valley and all other points throughout the county. Where the amounts are too large for the schools to take care of, they should report to their local chairman or call Salvage Headquarters, Warren 3048, and we will have the highway trucks pick it up.

The local chairmen are as follows: Arnett Carter, Bear Lake; Gilbert Nelson, Clarendon; D. P. Trickett, Columbus; J. C. Pasarell, Lottsville; Frank Lay, East Branch; Darrel Lay, Grand Valley; T. S. Baker, Lottsville; C. R. Morrison, Kinzua; Chris Pepke, North Warren; John W. Moll, Russell; Donald P. Brooks, Sheffield; Allen H. Frank, Sugar Grove; George B. King, Tidouate; Glen Kizer, Pleasant Township; Elton D. Barton, Youngsville.

Meanwhile, Mr. Corbett announced that James G. Lewis, Senior Industrial Specialist of the Industrial Salvage Branch of the War Production Board of Cleveland, will make several talks in Warren in the near future. His purpose will be to inform the public on the urgent need for scrap; to see that heavy industrial scrap from plants and leases is moved into production at once; and to cover various other salvage matters. He will have the following schedule: April 20th, Tuesday, 12 noon, Lions Club, W.Y.C.A. Same day, 6:15 P. M., Exchange Club, Geracimos Restaurant. May 10th, Monday, 8 P. M., American Legion, at Legion Home. May 12th, Wednesday, 12 noon, Kiwanis Club, Carver House. May 17th, Monday, 12 noon, Rotary Club, W.Y.C.A.

Nearly Two Million Warren County Dollars Answer Call To Get Into Victory Fight

Through April 16 Warren county has sent \$1,930,604.00 marching off to war in the Second War Loan drive. Lazy dollars, slumbering in safety deposit boxes, idle dollars in unproductive retirement, hard-earned dollars eager to get to work, nearly two million Warren county dollars have answered Uncle Sam's call to get into the fight for victory.

In announcing this total of \$1,930,604.00, J. R. Barrett, business manager of the Warren County War Finance Committee, explained that this figure is based on the issue price of the bonds sold, not on the bonds' maturity value. He also pointed out that this figure represents actual sales through April 16 as reported by all the county issuing agents, and does not include bonds which have been pledged to date but not bought.

Warren county's quota for the April drive is \$3,623,000. The \$1,930,604.00 already purchased represents 53.29% of the quota. In commenting on these results at the end of the first week of the war loan drive, Chairman R. W. Mackay said: "We want the people of Warren county to know exactly where they stand in this drive. We have not withheld any large purchases. The \$1,930,604.00 is every dollar of bonds bought in April up to and including April 16. This total includes most of the large purchases we can count on. So, while we are over the half-way mark, it is the remaining 47% we must reach by the end of April at which we should look. While some of the workers have completed their reports, there are still many calls in the borough and county to be made. I also want to urge those who have made pledges to come into their banks and get their bonds promptly. All the banks have made arrangements to take care of those coming in quickly."

An interesting sidelight on the April War Loan drive as compared with the December drive is the number of individual subscribers. In the December drive, the quota was secured from a relatively few subscribers—something less than 200. In the April drive, however, there were through April 16, 1,832 individual subscribers. In addition to the money quota of \$3,623,000, Warren county also has a subscriber quota. The aim for Warren county is 4,200 individual subscribers. It is the small investor who is going to be the big factor in the success of the Warren county Second War Loan.

Rotarians At First Service In Holy Week

Interesting Sermon is Delivered by Pastor of St. Paul's Lutheran

A STIRRING MESSAGE

A very large delegation of Rotary Club members comprised the majority of the audience attending today's noonday Holy Week service in the First Lutheran church, the first of four such periods of worship to be held here daily through Thursday. Dr. H. A. Rindard, Lutheran minister, presided.

Following the hymn, "In the Cross of Christ I Glory," the Scripture passages were read by Rev. M. I. Harding, of Epworth church, and prayer was voiced by Rev. O. C. Mingleford, of the First Church of the Nazarene. Miss Mary Ann Lundmark was the soloist.

Based on the general theme, "The Perpetrators of the Crucifixion," Rev. Rindard's specific theme dealt with "The Priests and Professionalism," but the message this pastor of St. Paul's parish brought to his listeners might better have been captioned "It Could Be One of Us."

Pointing out that human nature has not changed and Jesus would find the same types of people and the same attitudes were He to appear today, the speaker developed the thought that the Master was not put to death because of wrongdoing but because He was in the way of the high priests and His death was expedient.

He showed how they were blind to all that centered about the Master and little concerned with the message He brought, the miracles He performed. Pastor Edquist stated that today we as a religious people are just as blind and keep Jesus just as far from our hearts as possible; that we have a religion of the mind and not of the heart. In closing he begged his audience to change this attitude and develop a religion of the heart, since it is there that God looks to find (Turn to Page Nine)

Farm Labor Enrollment Is Under Way

Harrisburg, April 19.—(P)—H. Raymond Mason, state director for the U. S. employment service, urged Pennsylvania farmers today to report to local employment service offices now on how many farm workers they will need this summer and when the help will be wanted.

"The enrollment for farm labor is now on throughout the state," Mason asserted, "but unless this great mobilization is controlled and properly allocated, much of its effectiveness will be lost."

Voluntary registration for summer farm jobs is being completed among the state's 600,000 high school students by the employment service and the state department of public instruction. Plans to enroll (Turn to Page Nine)

Packing Company Is Restrained By Order

Pittsburgh, April 19.—(P)—Federal Judge F. P. Schoonmaker today signed a consent injunction restraining the Johnstown Packing Company from slaughtering or delivering meat in excess of its OPA quota.

OPA agents from Altoona had charged that the company sold 26,000 pounds of meat in excess of its quota in one period, and that company records were not in proper order.

Tribute Paid To Soldiers Of The Press

New York, April 19.—(P)—Describing government suppression and control of the press as a primary cause of wars, General Manager Kent Cooper of the Associated Press called today upon the American press to exert militant leadership to obtain guaranteed freedom of world news in the next peace conference.

During his speech at the annual luncheon of the non-profit news-gathering cooperative in the Waldorf-Astoria Hotel, Cooper paid tribute to the soldiers of the press and radio who have given their lives since Pearl Harbor while on war assignments. Those at the luncheon stood silent for a moment at the request of Cooper and at the same time all wires of the organization throughout the nation were stopped.

Tribute was paid at the luncheon to Frank B. Noyes, president and publisher of the Washington (D.C.) Star, former president of the A.P. and still on its board of directors, for his almost 50 years of service to the association.

At the business session preceding the luncheon, W. J. Haley, joint managing director of the Manchester Guardian and the Evening News of Manchester, England, described the successful operations of British newspaper in wartime despite serious shortages of manpower and newsprint.

Italian Base At Spezia Is Raided Again

British Home-based Bombers Make Long Trip Across Alps Second Time in Six Nights

London, April 19.—(P)—British home-based bombers made the long trip across the Alps again last night to blast the Italian naval base of Spezia for the second time in six nights, it was announced today.

The attack was described as heavy and concentrated and while it was in progress aircraft of the Fighter Command struck at enemy destroyers at Lorient, the German naval and submarine base on the French coast.

One bomber failed to return from the attack on Spezia. The Italian post was attacked at the beginning of the present long-sustained aerial offensive against continental targets last Tuesday night. (Turn to Page Nine)

Success Is Reported

Allegheny Tax Board Having Difficulties

Pittsburgh, April 19.—(P)—Allegheny County Commissioner John J. Kane announced two more members of the county tax board, Samuel J. Topley and Charles Houlihan, have turned in their resignations.

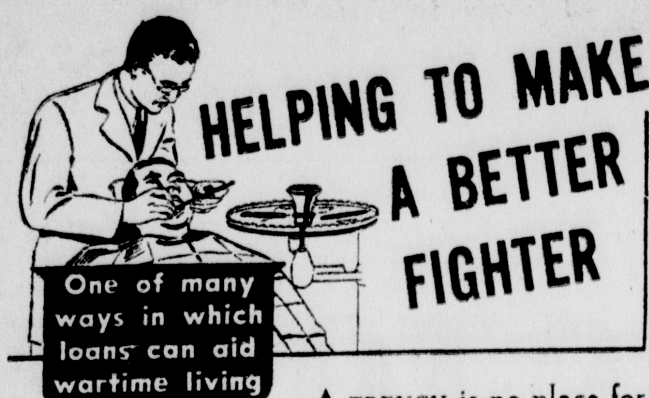

The action followed an investigation and report by a committee of real estate experts which recommended that the board be reorganized. Another board member, M. J. Lowry, resigned during a dispute over property assessments.

TWO SISTERS AND A COMPANION ARE KILLED

Greensburg, April 19.—(P)—Trapped in their overturned and blazing car, two sisters and their companion were fatally burned after a collision on route 119 near here yesterday.

The victims were Helen Zzyvich, 30, Mildred Zzyvich, 18, and James Collier, 26, all of Beaver. Another occupant of the car, Domar Burk, 23, of Greensburg, was thrown clear. He suffered burns of the hands and neck.

Coroner H. Albert McMurray said that after their car and another sideswiped each other, sparks ignited leaking gasoline as the first car skidded along the concrete pavement on its side.

Corbett Plans Intensive Drive To Secure Scrap Quota Here

At the meeting of the County Council of Defense held Friday afternoon Chairman W. T. Corbett, of the Salvage Committee, gave some interesting matter relative to the spring drive in this county. He outlined plans whereby every person in the county will be enlisted in the drive. Schools of the county are already at work and in the boroughs the school pupils are being marshaled for the work.

Mr. Corbett further stated that the committee plans to call on every farmer in the county and urge them to dig deep for scrap. He also explained the plan whereby the farmers will be paid for the scrap with no long wait so that the money may be turned into the purchase of fertilizer or other necessities of the spring planting season.

P. C. Ostergard, chairman of the evacuation committee stated that as yet he had received no official word from Harrisburg as to whether Warren county was to be an evacuation center or a reception center for refugees and until such word was received on plans could be made.

Commander Forest Waite, of the Warren Control Center reported on the trip to Harrisburg recently when four men from the County Defense Council met with the state representatives. The instructors were mainly from Amhurst College and their talks were on methods used in New England which

are different from those used in this area.

Mac Lean Houston stated that letters had been sent out to all Selective Service men relative to their re-classification on which has brought much relief to many of the men.

"Block Leaders are functioning 100%," said Mrs. Palmer Davis when called upon for her report. The first task given the block leaders was the placing of Bonds with the folk in their blocks and six of the seven sectors reporting showed \$31,749 worth of bonds placed.

The resignation of a number of the women originally accepted as block leaders has served mainly to strengthen the group.

Francis Borden, of Sheffield introduced Mrs. Knupp, of Sheffield leader of the block system there. He also reported the functioning of the Sheffield control center as being almost perfect in the recent blackout test. Rev. Ivan Rossell has been chosen as Chaplain of the Sheffield Council and is also chairman of their speakers committee.

D. C. Kropf reported on a meeting of fire chiefs held Thursday evening at which many of the problems of the fire fighters were ironed out. He also gave some information relative to the apparatus secured by the city from the War Department.

Allen Gibson, chairman of the County Council gave some interesting facts relative to the bomber school held at Bradford which was attended by Lieut. Gordon Munn, of the Police Department and Deputy Sheriff Larry Linder.

Schools To Concentrate on Scrap Drive

Beginning today and continuing through April 25, students of all borough schools will again concentrate their energies toward "bringing in the scrap".

In his bulletin for April, of which each pupil receives a copy, Superintendent John G. Rossman admonishes his charges:

Last year you made a splendid contribution but there still is much scrap which can be brought in. Millions of pounds of shells and bombs are being used each month in Tunisia and Europe. We must continue to supply our fighting men if we are to have a speedy and decisive victory.

If your pieces are small, you may bring them to your school building. If they are large and heavy, notify your school teacher that you have permission to report these heavy pieces and the teacher will see that they are picked up.

You may sell your own scrap and get the money for your own use. You may bring your scrap to school and the money will go to the school to be used for such use as the school decides. You may deposit scrap to the credit of Scouts or any organization. The big point is we need the scrap.

The boys and girls in grades 9, 10, 11 and 12 attending Beatty and High Schools can render an exceptional service by locating heavy scrap, securing permission to have it picked up and reporting to their home room teachers. This is particularly true of boys and girls living outside of the borough. If an exact location is given, we are assured that the scrap will be brought out.

Mr. Rossman stresses, also, the tin can pick-up of April 21 in these words:

Have all your tin cans cleaned, flattened properly and ready. If you live in town, place them on the curb at your home on the morning of April 21. A truck will pick them up. If you live in the country, bring them to Beatty or High school on that day.

Twelve Boy Scout First Aid Teams Rate Standard at Meet

Twelve Boy Scout first aid teams rated standard in the contests held in the First Aid and Emergency Service meet held by the Warren County Council, Boy Scouts of America, at Beatty gym Saturday night, according to the scores turned in by the judges. The twelve teams represented Troops 1, 2, 4, 9, 46 of Warren and Troop 14 of Russell.

The judges had established the standard rating at 90%. The scores ranged from 91% to 100%, the highest being the team from Troop 4 under the leadership of J. White.

The men who served as judges for the contest were R. L. Endress, chief judge; George Spinney, Jasper Sheppard, Harold Bush, J. Pees, A. Martin, Carl Barker, C. Vance Weld, Frank L. Reese, Leo Gleese, Fred Schuler, S. F. Custer, and Dr. William Ball.

The obstacle race team of the Russell Troop 14 was declared the winner of the race, completing the course in 42 seconds. Troop 39 of Kinzua entered a team in the obstacle race in addition to the troops listed above. Twelve teams were entered in the event. The time taken by the various teams to complete the course ranged from 42 seconds to one minute and 51 seconds. This was an event that excited much excitement for the audience as the Scouts crawled under and over the obstacles placed in their path.

James Hunt of Russell Troop 14 was first to complete the equipment race. The others who placed were: Second, William Hill Troop 14; third, Bertil Peterson, Troop 9; fourth, Gordon Drum, Troop 46; and fifth, Benny Williams, Troop 9.

E. W. Knapp, chairman of the Council's Camping and Activities Committee, served as master of ceremonies and kept the program moving along according to schedule. The Boy Scout members of the High School Orchestra, under the leadership of John Knapp, provided the music for the show. F. H. Hetrick was the faculty advisor.

The program started promptly at 7:45 with the grand entry of all the Scouts and Scouters under the leadership of Earle Flohr. When all had entered the gym and had taken their places, the Scouts were led in the Scout Oath and Law. The audience joined in the Pledge of Allegiance to the Flag and the singing of "America."

The first aid problems came first on the program. The teams were required to treat the following first aid treatment to their patients—first: "Following an explosion a man was found in a prone position on the sidewalk. A quick examination revealed the following injuries: cut on left wrist with bright red blood flowing in spurts, cut on forehead above right eye, cut on inside of left ankle. Other symptoms were a pale face and weak pulse."

Second was the "black-out" problem in which the first aiders had to work blindfolded. It was described to the Scouts: "A boy was found during a black-out who complained of severe pain in left forearm and he was unable to move his wrist or fingers."

The third problem read, "Two minutes after a boat capsized an unconscious man was dragged

Famous Snap Shot Artist Gave Lecture

Margaret Bourke-White, accredited correspondent with the United States Army and world famous photographer for Life magazine, presented the final speech on the Y. M. C. A. Lecture-Forum for this season Friday evening at the Woman's Club.

Miss Bourke-White's entire talk was given over to personal experiences from the time she left the United States for England last August until her return recently. She told of the first flights of American flying fortresses over enemy territory, stressing the fact that the planes are no more important than the men who make up the crews and of the highly specialized team-work necessary to make these crews efficient.

She told of the christening of one of the flying fortresses for which she was asked to select a name. Her selection was "The Flying Flitgun". At the time of the American invasion of Algiers and Tunisia, Miss Bourke-White accompanied our expeditionary force on board the convoy. She spoke at some length of the torpedoing of the troop ship on which she traveled and of the extremely high percentage of lives saved because of excellent discipline. She paid very high tribute to the courage of the WAAC's and army nurses on board.

The balance of Miss Bourke-White's story was given over to a description of her own trip on a bombing mission over enemy territory and of the pictures she took at that time. Following her talk there was a short question period.

The speaker was presented to the listeners by H. W. Conarro, who in turn was presented by R. W. Mackay. Mr. Mackay's short preface was thanks for the support accorded the Lecture-Forum series this year and to state that plans for next season would be announced during the summer.

INTERESTING DISPLAY

At the office of the County Council of Defense there is a most interesting display of booklets that have been issued by the National and State Council of Defense. The booklets cover many phases of the civilian defense groups and are worthy of consulting. Any interested may call at the office and secure copies of the booklet they desire.

LIONS WILL BE BUSY

Lions Club members will attend the community Holy Week service at the First Lutheran church tomorrow, after which they will return to the YWCA activities building for luncheon, meeting and program. A guest speaker will be James G. Lewis, representing the War Production Board, who will talk on "Industrial Salvage". Members will complete their organization for recontacting local plants concerning the "early diagnosis" campaign and a return engagement in June by the Power X-ray technician and equipment.

CAN GET TRACTOR TIRES

Farmers who have a tractor or implement with steel wheels that they have bought since last May, and want to convert to rubber tires, may now be able to get authority to make the switch, according to an announcement by W. L. Armitage, Chairman of the Warren County USDA War Board. The government agencies, it is explained, have agreed on a program to provide tires and tubes for approximately 20,000 tractors and implements now on steel wheels. The agencies are the Department of Agriculture, Office of Price Administration, and Office of the Rubber Director.

PROGRESS IS MADE

State Senator L. E. Chapman and Assemblyman W. W. Muir, home for the weekend recess of the Pennsylvania State Legislature are not perturbed by the filibuster being staged by the Democratic members of the Legislature. Both feel that the essential legislation will be passed and that the adjournment date, set for April 29th will be attained. However it is probable that the usual "turning of the clocks back" will be indulged in on the final night of the adjournment. There is also some talk of keeping the Assembly in session six days this week.

TOOK MERCURY OINTMENT

Clifton Hillard, of Kane attempted suicide at the Revere House Saturday night. Hillard had taken a quantity of ammoniated mercury ointment, Officer Conboy, of the Police Department responded to a police call there and found the man. He was wrapped up in a blanket and said "I want no help, I just want to die". A telegram found in his pocket from his camp in Louisiana stated that he was to be back in camp April 19th. His relatives at Kane were notified and the father-in-law of the fellow took him back to Kane last evening.

This is Easter Time...

Now millions of Americans reaffirm their faith in truth, justice and mercy.

But This Easter is Different...

If this were the Easter of other years, we would talk about the Easter Parade: new bonnets, smart dresses, trim suits, gay shoes, colorful handbags... spring outfits for every member of the family.

Of course we have all these things. But in assembling this Easter's wardrobes for American families everywhere, we kept in sight every moment, the wartime job the Home Front has to do.

Every Easter Outfit Has Become a Uniform!

THE HOME FRONT UNIFORM IS EVERYTHING YOU WEAR!

It is seen in many different styles and colors. It may be a dress or a pair of slacks and a sport shirt. It may be a skirt and blouse, or an overall, or a gabardine suit.

It is whatever kind and type of apparel is most comfortable and long-wearing... most fitting and becoming... most helpful and economical for the particular job you have to do.

THE HOME FRONT JOB IS EVERYWHERE!

In the church, in the school... in the factory and the shipyard... on the farm and the assembly line... in the store and the home.

THE HOME FRONT WORKER IS EVERYBODY!

Your son Joe... and your daughter Mary... your husband Sam... your neighbors Ann and Henry, and you, yourself!

FOR FORTY-ONE YEARS PENNEY STORES, FROM COAST TO COAST, HAVE BEEN OUTFITTING THRIFTY AMERICAN FAMILIES—JUST AS THEY ARE DOING TODAY!

The knowledge and the skill gained from our long experience of low-cost, neighborly storekeeping, stand America in good stead today.

For now, more than ever, Mr. Penney's original idea of "Not How Much Can I Get" but "How Much Can I Give" is proving its soundness and value. Your local Penney store sells hats and coats and dresses for you and your children. It sells shoes and

hosiery and underwear for every member of your family. It sells slacks and sweaters and shirts for men and boys of all ages.

In fact, it sells every item of apparel you can think of, as well as sheets, blankets, yard goods, curtains and similar things for the home.

Altogether your Penney store is helping in many vital ways to quartermaster the Home Front.

PENNEY'S SPECIALIZES IN LOW COST DISTRIBUTION! Your J. C. Penney store is part of a nation-wide business that brings to each community, at the very lowest possible cost, things produced in all sections of the United States. It does for millions on the Home Front, what the Services of Supply do for millions on the battle front.

Concert Was Enjoyable One At Youngsville

Youngsville, April 19—A capacity audience was present Palm Sunday afternoon to enjoy the sacred concert presented by the musical groups of the Youngsville high school at the Methodist church and directed by Byron Swanson.

The invocation was given by Rev. Charles McIntyre with choral response by the mixed choir of the high school.

This choir sang several groups of hymns and other forms of sacred numbers. The mixed choir wore black church vestments.

A boys choir of young voices appeared for three special numbers on the program. These lads who occupied the front of the platform wore the traditional boys choir robes.

Special numbers were a violin solo, "Holy City," by David Wingard; an instrumental ensemble (Turn to Page Ten)

HIT-AND-RUN DRIVER

Frank Schroeder, of the South Side, reported to the police department last Friday evening that his automobile, parked in Market street in front of the First Presbyterian church, was struck and damaged by a driver who failed to stop. The identity of the offending driver has not been established.

SUCTION PIPES ARRIVES

A shipment of suction pipes for use with the emergency pumps supplied the fire department by the War Department has been received by Custodian D. G. Kropf. The pipes have been mounted on trailers which carry the pumps and the equipment will be tested out soon at the foot of Market street. Four pumps received from the War Department will all be tested at the same time and the work will undoubtedly attract much attention.

PLAN EASTER SERVICE

Warren Commandery Knights Templars will hold their annual Easter Sunrise Service on Easter Sunday morning at 6 p. m. in Morek Park, Seventh and Market streets. The members will attend in uniform and the address will be given by the Rev. J. H. Clemons. If the weather is too bad for out of door services the program will be given in the Masonic Temple. On the Monday following Easter the installation of officers will be held in the Temple and all Masons and their wives are invited to attend.

INTEREST RUNNING HIGH

Interest in the Junior Commandery is running high in the city and scores upon scores of boys and girls are anxious to get enrolled. Lack of supplies from headquarters is keeping down the enrollment but it is expected more arm bands will be received soon. The application for membership blank will be run in the Times-Mirror after Easter and all youngsters are asked to keep on the watch for it. PINE GROVE UNIT

The Pine Grove PTA will hold a very important meeting in the Russell school building at eight o'clock Tuesday evening and a large attendance is desired. An important announcement is to be made at this time by Miss Arlene Schure, home economics education advisor, who will outline plans for establishing course in production, conservation and processing of foods. Community canning centers are to be established, with expenses paid by the government, and these will be placed only where the people of the community have expressed a desire for one.

Also important on the evening's schedule will be a collection to pay for erecting a serviceboard containing the names of all from the township who are in the country's armed services.

LACY SCHOOL UNIT

Jay S. Pees, of the Pennsylvania Department of Forests and Waters, will show movies at the regular meeting of Lacy PTA to be held at the school at 7:30 p. m. Tuesday. An all-girl orchestra will provide the music.

IRVINGDALE UNIT

All members and friends are invited to the regular meeting of Irvingdale PTA, to be held at the school building at 8:15 p. m. Tuesday.

IRVINE UNIT

Irvine PTA will hold its regular meeting at three o'clock Tuesday afternoon in the school building, with Mrs. Thelma Prendergast, home economics extension expert, as the guest speaker.

NORTH WARREN UNIT

All members are urged to attend the regular session of North Warren PTA, which will be held in the school at eight o'clock this evening.

SYNOPSIS: Helen Chernen, dissatisfied wife of a steel worker, determines to get her pretty sister, Katherine—seventeen, talented and stage-struck—away from the desolate Pennsylvania town. Runkel and Collins, vaudeville actors, come to town. Runkel is delighted with the girl's acting and with herself. Helen gets Katherine married to Runkel and the four tour show towns and make a hit. In New York the ambitious Helen gets Katherine in a venue which cuts Runkel out of the act. He leaves, broken-hearted. Katherine takes New York by storm in her first play. Runkel talks to her over the phone from Wilkes-Barre. Helen stops Katherine from talking to him—but Runkel—urged by Collins, takes the train to New York to get his wife.

CHAPTER V

KATHERINE BLANE—who had been advised to cast aside her married name of Runkel for obvious reasons—was riding “high, wide and handsome,” if a bit unsteadily, on waves of champagne and flattery at the cocktail party given in her honor by the producer after her triumphal first night performance. Everybody who was anybody in the theatrical world—and a number who were not—crowded the rooms which were blue with cigarette smoke and bewildering small talk.

Helen Chernen who had brought all these wonders to pass passed coolly among the guests, conscious of her power, conscious of the fact that the proudest lady of Park Avenue was not gowning nor groomed more elegantly. As she looked at Katherine reigning like a queen—she for a moment recalled the grimy Pennsylvania mill town—saw the cheap white graduation dress displayed in the window—and remembered the promise she had made to

“Katie, come back to me.”
“I will, Albert . . . soon.”
“No, that’s what I mean . . . now, right this minute.”
“Oh, I can’t Albert. You’re asking me to do something that’s not even right. How can I give up everything now? Why, that—that’s crazy!”
“I’m not asking you to come back because it’s right or it’s wrong. I’m asking you because I love you, Katie, because I need you.”

“How can I go back with you now, Albert?”

Katherine of a future filled with fame . . . with fur coats and jewels . . . Had it not all come true?

Suddenly she halted aghast. She had spied Albert Runkel, looking altogether out of place, elbowing his way through the crowd, hunting for Katherine. She hurried to him. “What are you doing here?” she inquired curtly.

“Where’s Katherine?”
“Not now, not here, Albert. Go to a hotel some place. Get a good night’s sleep and come back in the morning!”

“My wife’s here, isn’t she?” he asked stonily.

“But she can’t see you now. Be sensible, Albert!”

“If all these . . .” he waived contemptuously toward the guests, . . . “all these liquor carriers can stay here . . . I can stay here . . .”

Suddenly he saw Katherine and strode toward her. A fat man, who happened to be a big film mogul from Hollywood, was kissing her hand. “Cut that out, you!” he shouted, pushing the astonished old gentleman aside. Katherine was greatly embarrassed by the spat that followed. Helen apologized but the fat man departed in high dudgeon.

“Where can we talk alone, Katie?”

“You can’t leave the party.” Helen put in quickly. “People expect . . .”

“Shut up!” Runkel shouted and grabbing Katherine he pulled her behind him into the bedroom. Helen followed but she slammed the door in her face. “I thought up a lot of speeches on the bus, Katie,” Runkel was saying, “angry speeches—but now I see you, I can’t say ‘em! You’re so . . . so beautiful!” He took her in his arms. “I don’t know what to say. All I know is that I love you.”

“Of course, you love me.”

“Katie, darling, I can’t go on any more. I’m so lonesome I cry at night in my sleep. I’m not ashamed to admit it. I can’t work. I can’t do anything. All I keep thinking about is you . . .”

“Well,” said Katherine slipping free from his embrace, “what do you want me to do about it?”

Emerging from the bedroom he passed Helen without seeing her. Her expression changed from worried to a slight smile. She hurried to Katherine. “They want you to sing, dear!”

“Sure . . .” Katherine laughed, her eyes glittering, her face insolent, almost drunk, strangely fierce, “I’ll blast them out of the room!” Success followed success.

But the luck was against Runkel and Collins. Runkel had a way of sitting in his dingy dressing room between acts playing records of Katherine’s songs. At last the boss told him he was through.

Paul was kidding with one of his new flames when, hearing the muffled sound of a shot, he rushed into his pal’s room.

Blood Bank On Another Two-Day Visit

More Than Hundred Persons Make Second Donations Today

NEW DONORS NEEDED

More than one hundred persons made their second donation to Warren’s Blood Bank today and another 150 or more will make their first donation tomorrow as the mobile from Buffalo completes a two day visit in Warren.

Those who donated for the second time today were among the group of original donors to the Blood Bank upon the occasion of its first visit to Warren last November. Practically all those persons making donations at the City Building this afternoon and evening had been in this group.

Chairman M. G. Keller of the local Blood Bank Committee points out that there will be another group of “repeat” donors when the Blood Bank again visits Warren on May 17th and 18th. These will be among the group who made donations in January of this year. But, for the second day’s visit in May the Committee is looking for some 170 new volunteers; persons who have not as yet signed up with the local Blood Bank Committee. “In this connection,” Mr. Keller stated this morning, “it appears that some volunteers have signed up in one of Warren’s drug stores but have not been called upon by Red Cross Headquarters to make a donation. I would like all such persons to call Red Cross Headquarters, 404 Market St. and give their names to the Secretary who will gladly make an appointment for them in May. It is regrettable that some few people have signed and have been disappointed that their names have not been selected among volunteers called each month. The only reason, apparently, is that some slips have been lost or not turned into Headquarters; hence the apparent oversight. “Consequently, it is the hope of the committee, that people in this category phone headquarters at once, state the circumstances and request an appointment at the time the Mobile Unit next visits Warren in May,” Mr. Keller concluded.

But, the number of such cases is few and the committee makes this appeal to those who have not yet as signed an application blank and who do wish to make a donation to the Blood Bank. It will be necessary to secure a minimum of 170 such names by the first of May; that they might be scheduled for donations on either May 17th or 18th.

Persons wishing to volunteer for the May visit of the Blood Bank are reminded that their application blank can be filled out in a very few minutes. These applications blanks are to be had at any of Warren Drug stores or at Red Cross Headquarters, 404 Market Street. The committee hopes these 170 new donors will apply promptly so that scheduling for the May visit may begin shortly after May 1st.

UNITED WE WIN!

Essay Written by Eleanor Emory Which Won First Prize in VFW Auxiliary Contest in Local Schools.

The sagacious Homer once said “The force of union conquers all.” How well President Roosevelt echoed this truth in one of his recent radio speeches with his words “This great war effort must be carried through to its victorious conclusion by the indomitable will and determination of the people as a whole.” When the citizens and leaders of the Allied Nations cease to engage in a fight for their own individual and selfish purposes, a complete victory and a lasting peace will be the ultimate outcome. We went to war not because some of our leaders wished it or because the British needed our aid, but because we had to fight by and for our freedom. We had to fight or be placed under the tyranny of such human monsters as Hitler, Mussolini or Hirohito. The Allied Nations must unite for one purpose—that of crushing forever the standards upheld by these greedy giants. We must unite to protect our freedom, the heritage which our forefathers gained us through hardships, sacrifices and bloodshed—the freedom that caused the thirteen colonies to forget their differences and found a nation on liberty and union.

Although the necessity of unity was an accepted fact in the earliest stages of the human race, century by century it has been enlarged upon. From the very earliest of times, it was only by banding together that they were able to beat off the animals and provide safety for their families. Christ, the greatest teacher and leader of all times, said, “Every kingdom divided against itself is brought to desolation, and every city or house divided against itself shall not stand.” Thus, we see that even in the time of Christ, the importance of unity required emphasis. Then, Cicero, the great Roman orator, points out the necessary combination of union and friendship in his words, “There is no more sure tie between friends than when they are united in their objects and wishes.” Benjamin

Franklin, the American statesman and philosopher, is the source of the rather witty quotation “We must all hang together or assuredly we shall all hang separately.” Set forth in this, is a homely yet all powerful truth. Advancing to our more recent leaders, we find the forcible words of one of our former presidents, “America is not anything if it consists of each of us. It is something only if it consists of all of us.” So we see that great men of history have deemed unity an essential part in the survival of a people.

You ask, “How can we help to bring about wholehearted unity in our own country?” There are many ways in which this can be accomplished. It is necessary, in time of war, for the government to impose upon the citizens certain rules and regulations foreign to peace-time. Blackouts, air raids, rationing of food, clothing, fuel and other articles are a few of these restrictions. Is it too much to ask of the American people, in comparison to the hardships being endured in the countries of Europe, Asia, South America, and the Far East? Is it too much to ask that we support our government by buying war bonds and stamps? Is it too much to ask that we utilize some of our leisure time, caused by gas rationing,

“So your grandfather grew that pole, did he ___?”

“Well, sonny, he did a mighty good job. A heap o’ responsibility rests on that one piece of wood.

“See those wires running in all directions? Some of ‘em are carrying health and happiness into thousands of homes. . . electricity for better lighting and cooking . . . electricity to operate refrigerators, washers, ironers, cleaners and small appliances.

“Other wires are working day and night carrying electric power to help make planes, ships, guns and tanks needed to beat the Axis and win the war.

“That’s a big undertaking, my boy, and a noble service that’s going to keep young fellows like you—millions of them—assured of the freedom to which they are entitled. You say you’ve never thought of it just that way? ‘Course you

haven’t—neither have many others.

“What’s more—there’s plenty of punch in those wires . . . the wires your grandfather’s tree holds so firmly in its grasp . . . and there’s plenty more power where that came from, ready at the turn of a switch or the press of a button.

“Electric power is the life blood of our free nation.”

WHEN YOU JOIN THE

Waves or Spars

you actually release a shore-duty man for sea duty!

In Naval and Coast Guard Stations from Alaska to the Gulf of Mexico . . . from the Atlantic to the Pacific . . . there are many men . . . healthy men . . . husky men . . . men eager to be in the thick of the fight . . . eager to man battle stations and bring this war to an end in double quick time.

Uncle Sam needs these men on his ships . . . but shore stations must be manned . . . desk work must be

done . . . communications must be transmitted expertly and intelligently . . . and thousands of other important naval jobs in these continental United States must be carried on uninterruptedly.

The WAVES' job is to replace Navy men at shore stations. The SPARS' job is to replace Coast Guard men at shore stations.

1. First, you will write or call in person for an application blank. After you receive it, fill in all answers carefully, follow all instructions, then mail blank to the Naval Office from which you received it.

2. If your application is satisfactory, you'll be called to the Office of Naval Officer Procurement. There you'll be interviewed by Naval Officers and arrange to take the aptitude test.

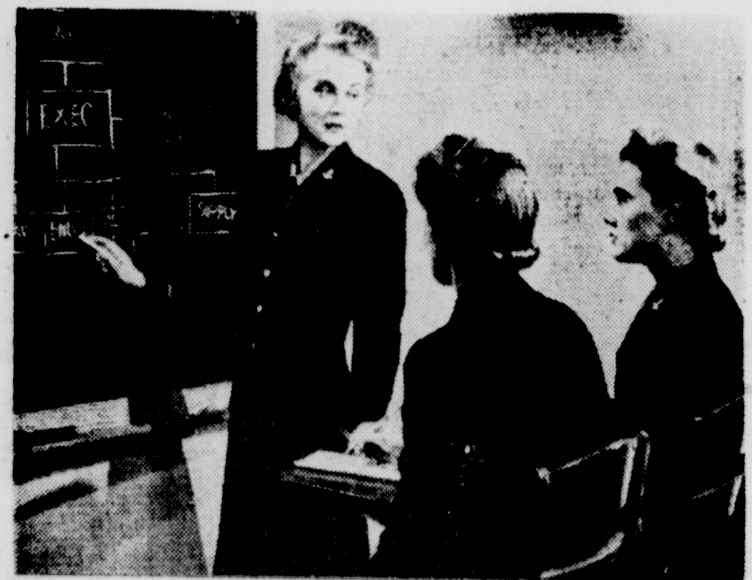

3. Then comes a physical check-up by expert Navy doctors. Requirements are thorough but not too difficult. Any young woman in sound health should be able to pass the examination with flying colors.

4. It's a thrilling moment when you raise your right hand and are "sworn in." From then on you're in the service of Uncle Sam, ready to do a man-size job for your country!

5. Yes, it's really you! You'll feel proud—and rightly so—when you first see yourself in trim Navy blues. Complete outfit—\$200 worth of clothing—is furnished you free as an enlisted woman.

6. Training schools are located at some of the country's finest colleges. Typing, radio operation, communications, mechanics are only some of the skills you may acquire.

SERVE YOUR COUNTRY IN YOUR COUNTRY

When you join the WAVES or the SPARS you will go first—at government expense—to one of our leading colleges.

When you're successfully finished your training, you're ready for the real thing—assignment to full-time duty at a Navy or Coast Guard base within the continental United States.

Whatever you do, wherever you go, you can be sure that you are performing a very real . . . a very vital service for your country. It won't be any picnic. It's not a part-time "glamour" job—and it's not meant to be. It's full-time work. It will be hard work . . . yet not too hard, when you consider the much tougher job our Navy and Coast Guard men will be released to perform.

THE 2ND WAR LOAN DRIVE IS ON!

URGENT PUBLIC NOTICE

From every fighting front comes a cry for help!

This Is IT! This is the call you must heed—the plea you must respond to. On every fighting front America moves ahead. In the tortuous swamps of the tropics, on the raging seas, over the air of Europe and in Africa our troops are striking hard.

And from everywhere there comes a cry for help.

"More tanks, more guns!" cry the soldiers.

"More planes, more bombs" beg our flying squadrons.

They're ready, eager to strike at the enemy. And they turn to America—to YOU—for help.

And that is why your Government makes this urgent public appeal asking us to lend it 13 billion dollars during these momentous days. NOW... as America takes the offensive

... your dollars must take the offensive, too!

You must act at once!

Yes, it's going to be hard to dig deeper. It's going to be hard to give up all spending except for the necessities of life. It will be easy for the part-time patriot to find excuses for himself. But think of what the millions of men fighting this war are giving up! Think of the thousands who have given their lives and the many more who are prepared to do so. If you can still face this one fact squarely and fail to buy more War Bonds and still more War Bonds—then no appeal in the world can reach your heart.

Invest in your own security!

During this drive (beginning April 12th), you may be visited by one of the thousands of volun-

teers who are working to make this 2nd Drive a great success. Welcome him! Because he's there to help you make the safest investment in the world—at a good rate of interest.

Listen to what he has to tell you. See which of the various types of War Bonds and other securities is best fitted to your needs. And remember, every dollar you lend means another step towards security after this war. It means money to take advantage of the many opportunities that will be open to you when peace comes. Money that will guarantee you what you want in the future.

But don't wait for the War Bond representative to call. Go, right now, to your nearest bank or Post Office or place where they sell War Bonds. Buy all you can—and then more! Join the big offensive! Answer your country's call for help!

There are 7 different types of U. S. Government securities—choose the ones best suited for you:

United States War Savings Bonds—Series E: The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Chiefs Unable to Agree on Pay-go Plan

(From Page One)

Republican members of the committee were reported reliably to have taken the position that they would agree to no compromise that did not cancel out more than one-half of a tax year. They previously stood for abatement of a full year.

The parties were in complete agreement, as they have been all along, on a 20 per cent withholding levy against the taxable portions of wages and salaries, effective July 1, as a part of any pay-as-you-go plan to be considered.

Some capitol observers viewed the compromise efforts with pessimism, in view of the bitterness engendered and the uncompromising battle put up by both sides three weeks ago when the Democrats succeeded in defeating, 215 to 198, the Republican-sponsored measure embracing the modified Ruml plan to abate a full tax year.

Obituary

GERTRUDE MERCHANT

Miss Gertrude Merchant, a guest at the Watson Memorial Home since 1936, when she came here from Meadville, passed away at the home at 11:30 a. m. today. She had been in failing health for some months, but had been more seriously ill for the past month.

Miss Merchant lived here as a small girl, when her father, Rev. Andrew J. Merchant, was minister of the First Methodist church. Surviving is a sister, Mrs. F. C. Reynolds, of Baltimore, Md.; also three nieces, Margaret and Jean Thoburn and Mrs. Ruth Knox, all of Pittsburgh.

Removal has been made to the Lutz Funeral Home, where friends may call and from where a prayer service will be held at 11 a. m. Wednesday. Interment will be at Greenville.

craft reached 85—and one more was belatedly reported destroyed by coastal air force planes Saturday night during an attack on motor transport and an air field in Sardinia—while, from all these operations, 11 Allied aircraft were missing.

Axis surface craft also suffered again yesterday, the tally for the day being: One merchant ship left sinking and another afloat after B-25 Mitchells attacked Porto Torres, Sardinia; one supply ship left down by the stern and listing after Malta-based aircraft found her in the central Mediterranean; one enemy ship battered by the cannon fire of Malta aerial patrols.

Lieut. Gen. K. N. Anderson's First Army in the west and Gen. Sir Bernard L. Montgomery's Eighth Army on the south, continue to make forays with strong patrols into Rommel's mountainous defense line.

But the Allies and the Axis were concentrating on preparations for the big and perhaps decisive battle yet to come.

Coming Senior Class Production Promises Much in Way of Really Fine Entertainment

The sparkling three-act comedy "American Passport", to be presented in the high school auditorium Thursday and Friday evenings, April 29-30, by a senior class cast, has been called the best patriotic play of the season.

The story concerns the American father who is greatly worried about the "Trojan horse" and suddenly finds that he is "feeding" three of her ponies in his own home.

Dick Davis plays the part of the father, with Marion Kridler opposite him as his wife. Harold Knappenberger and Gloria Genge appear as their "leftist" son and daughter, while Melda Olsen is the baby daughter, wanting to be

grown-up and be little, at the same time.

Aunt Jen, otherwise Marcia Baxter, helps to cure this un-American family by attempting to give them a dose of their own medicine. Alan Buerkle appears as Bill Wilson, a human, patriotic capitalist. Mr. Craig, the father's boss at the Banner Oil Company, is Jake Barris. Dorothy Ann Harris, who is stable even though in love, carries the role of Sibyl Jennings.

Ann Nichols has a splendid comedy role as Mrs. Schwartz, a 100 per cent American neighbor. Playing minor parts in the production are Vida Knudsgaard, Joan McGarry, Anne Harrington, Laverne Peterson, Ernest Breed, Ed Korb, Malcolm Young, Devere Matthews and Leroy Peck.

This play, woven from the fabric of today's problems and challenges, touches on profound questions facing America, yet delightful, heart warming laughter and the dry humor of everyday American life bind it together. It will prove entertainment worth remembering, in the opinion of those who know.

The reserve seat sale will open at noon Tuesday, April 27, in the high school auditorium.

Patricia L. McGarry Weds Air Sergeant

Mr. and Mrs. Paul E. McGarry announce the marriage of their daughter, Patricia Louise, to Sgt. John Edward Richards, son of Harry Richards, of Youngsville. The ceremony was performed by Father Alfred Bauer at St. Joseph's on Saturday morning, April 17, in the presence of the immediate families.

The bride had as her maid of honor her sister, Miss Jeanne McGarry, and Don Folkman acted as best man. The bride was attractively attired in a tea rose street dress and wore white camellias, while her sister wore a brown and white tulle dress with a rose corsage.

A small reception was held at the home of the bride after which the couple left immediately for a short wedding trip. Mrs. Richards has been employed by the Bell Telephone Company of this city and Sgt. Richards has just returned from a two-year enlistment with the U. S. Army Air Corps in South America. Sgt. and Mrs. Richards expect to leave Easter Sunday for Tampa, Fla., where he will receive orders for future assignment.

Special Services At The First Lutheran

In addition to the community Holy Week services in First Lutheran church on Monday night, April 19, through Thursday, Dr. H. A. Rinard has arranged a special series of services to be held nightly at 7:30 o'clock.

Beginning this evening, when he speaks on "As a Man Thinketh" and the junior choir sings the anthem, his schedule will be as follows:

Thursday, "The Lowest Depths"; anthem, "Abide With Me" by Green. Wednesday, "The Substitute Offered"; duet, "Crucifixion" by Faure. Mrs. W. E. Younger and Miss Mable Hill. Thursday, "The Highest Gift"; anthem, "Gethse-

HORSE PRAIRIE BY CLEM COLT

Chapter 12

"WHY—it's Jones!" exclaimed Deckerman. "The very man I been wantin' to see!"

"All that believe that can stand on their head," scoffed Tubac. He gave the Stampede boss a hard stare. But Deckerman shook his head sorry-like.

"No sense packin' a chip on your shoulder. I've decided to let bygones be bygones. Live an' let live is my motto, Jones. I don't like you no more'n you like me, but seein' we're neighbors I reckon we ought to make the best of it."

"What's all this leadin' up to?" "Shucks," said Deckerman. "Don't you know that kind of talk only boils up feuds an' gun fightin'?"

"Here," grunted Deckerman, extending a hand. "Have a cigar an' let's bury the hatchet. Sorry to hear about your recent hard luck."

"What hard luck?" "Why, about that fellow, Webster showin' up. They tell me he's one of the Holeman heirs—Ol' Sam's nephew or somethin'—an' that he's figurin' to restock the old place."

"What about it?" "Must be been a disappointment for you."

"Oh, I dunno," declared Tubac. "He's offerin' to split with me fifty-fifty."

"That so?" Hmmm. Reg'lar philanthropist, ain't he? Shallet was tellin' me he looks like a gambler. Neve heard of a gambler playin' Santa Claus before—"

"Never saw a gambler I would trust half as far as I could heave a dead horse. But live an' learn, I always say. He might be on the level; but it's usually been my experience when you come across one of these generous guys it's time to start boardin' up the windows. Elsewise they'll git every stitch you got on you an' wind up sendin' you a bill for the launderin'."

"I don't seem reasonable, do I?" if this bird was really kin of Sam's."

But Tubac snorted. "You're wastin' steam, Deckerman."

BUT Deckerman just chuckled tolerantly. "We're a heap alike, you an' me, Tubac. We'd make a great team if we'd quit slingin' rocks at each other."

"What's all this peace talk buildin' up to?" "You been readin' too much about the Greeks bearin' gifts," smiled Deckerman. "I come over to apologize."

"Oh! I thought you rode over for a powwow with Winch Face. Did you reckon you'd find me waitin' by the fence?"

"Teh. Teh. Teh," chuckled Deckerman. "I was trying to persuade this buncher of yours to ride over to the house an' fetch you—I'd have gone myself but he wouldn't let me step foot—"

"Speakin' of feet," Tubac muttered; but the Stampede boss said hastily:

"Just what I was comin' to see you about. I want to apologize for

settin' you afoot the other day. I was entirely wrong an' I come to make amends—"

"Oh, you come over to rub my feet for me, did you?" "I'm strictly in earnest—"

"So am I!" blared Jones. "An' I've heard all your lies I've said to me! I been dry behind the ears quite a spell an' I don't have to use no peach twig to know hogwash when I hear it! Jest turn that nag of yours straight around, Mister, an' light a shuck back where you came from. The Holeman grants in mighty good hands—"

"Just a minute!" said Deckerman thinly. "I come over here to apologize an' try to bury the hatchet—"

"Yeah—I know where you wanted to bury it!" Jones jeered. "—and to set you right on a misunderstanding, west on the Stampede boss, ignorin' Jones' interruption. 'Like Shallet took too much on himself, storming out to your place like he did. I didn't know a thing about it—"

nor Mister Haines didn't, neither will he come back an' admitted he had sinned to have some fun with you—the crazy loon! As a matter of fact, he made that whole business up; he never had no warrant or anything. As for that invisible ink—that was a Frank of Haines' clerk. Haines fired him quick as he heard of it. He wants you to know your deposit's all safe; you can have a new receipt or the money any time you want it."

"WELL, isn't that just lovely!" Tubac sneered. Then he jerked up his gun and thumbed the hammer back. "Now you kink up that bone rack an' git outen here! There ain't no swelld-on son of a Choctaw goin' to let nothin' over on me, by Judas! You—"

But suddenly Tubac's voice went hollow and he stopped in mid tide with his jaw dropped open and his eyes gone big as teapans. A rattle of shots had rung out from the ranchman's gun and he saw Lot Deckerman's grin and it all came clear on the instant. The Stampede boss had been detainin' Winch Face in idle gab while his men snuck up on the ranch house to trap T. Jones and Blackwater.

"Cmon!" Jones yelled at Winch Face, and gave his horse the steel. Tubac had known from the start what a back-biting lobe Lot Deckerman was and had tried mightily hard to outguess him. But the Stampede boss' only purpose had been to hold Jones and Winch Face there by the fence while his men sneaked in and killed Blackwater.

Gusty and bitter were the oaths with which Tubac lapped the night as, crowded low in their saddles, he and Winch Face fogged ranchward. With quiet and spur they drove their broncs in a headlong race against time; and little by little Tubac crept ahead of the puncher, for Cal hope had the heels of Pegasus and fairly flew across the rolling ground. And as he rode, Jones unlimbered his rifle and his glance raked the night for a target.

GENERAL ASSEMBLY OF DAC IN NEW YORK

Mrs. Charles Douglas MacCarthy, national president of the Daughters of the American Colonists, has sent out a call for the 22nd annual general assembly to be held at the Hotel McAlpin in New York on April 23-24. Mrs. Robert C. Selden, of Norristown, will represent Kanoaga Chapter, of Warren, at the sessions. Other delegates are Miss Anna G. Snyder, regent, and Mrs. George W. Olmsted, vice regent.

Reports show that every field of war work has been participated in by D. A. C. members and much of it will be stressed at the two-day sessions. An interesting program has been arranged for the War Service Assembly, for which Miss Mary C. Oursler, of Washington, D. C., will be chairman. There will also be a memorial service for deceased members as part of the busy schedule.

HOSTESS FOR TEA

Miss Julia C. Juliano, 904 Fourth avenue, entertained at a tea at her home at four o'clock Sunday afternoon complimenting Miss Rose M. Sirianni, a bride of the very near future.

Mrs. Sandy Fadale and Miss Josephine Bosa presided at a table made most attractive with pink, yellow and white snapdragons and white tapers. On the guest list were Mrs. J. A. Bevevino, Mrs. Louis Barone, Mrs. John Bevevino, Mrs. Sandy Fadale, Mrs. Francis Sirianni, Mrs. Carl Vavala, the Misses Josephine Lucia, Alvina Lucia, Sylvia Cardamone, Mary Vizza, Jane Smerker, Theresa A. Vizza, Jane Elizabeth James, Warren; Mrs. Fred Aumer, Eric; Miss Ann Cardamone, Kane; Miss Irene Kimes, Oil City. A gift of Fostoria was given the future bride.

JUNIOR AUXILIARY

The Junior Girls' Unit of the VFW will hold its regular meeting at seven o'clock Tuesday evening in the post rooms. Refreshments for a social hour to follow will be served by the retiring president of the Ladies' Auxiliary, Mrs. Olga Petersen.

POSTPONE TUREEN

The Girl Reserve Mothers' Club of the YWCA has postponed its mother-daughter tureen supper party planned for this week. Instead, a similar party is planned for May 12, replacing the annual mother-daughter banquet. It will

be for grade school Reserves only and details will be made later.

ROGERS AND WEIGEL RITES IN SOUTH

Mr. and Mrs. Fred A. Weigel, 208 Conewango avenue, announce the marriage of their daughter, Anne, to Paul J. Rogers, of this city, who has been located with the Marine aviation corps at Cherry Point, N. C.

The ceremony took place Friday, April 16, in Newbern, N. C., performed by Father James A. Riley in St. Michael's Chapel. Mrs. Rogers will return to Warren temporarily, since her husband is being transferred to Jacksonville, Fla.

Mrs. Claud Miller has returned home after several weeks' visit in Erie.

Mrs. Mattie Schuler, of Warren, returned home Sunday evening, after spending a few days with Mr. and Mrs. John Dailey.

Mrs. H. B. Poppleton returned to her home at Sharox last week, after spending several days with friends and relatives here.

Treasure those meat drippings!

If scorched, they won't keep well. Use them to flavor beef greens, spinach, hot slaw, wilted lettuce, green beans, hot potato salad. Secret is to have both fat and vegetables hot when combined.

from the members of the Y. H. S. orchestra which played, "Hymn From Finlandia," and a soprano solo "I Know That My Redeemer Liveth" sung by Barbara Knapp. Rev. Dwight Jack conducted the ceremony of the offering and prayer while Rev. Samuel Stimer pronounced the benediction. Accompanists were Shirley Johnson, Roberta Lodge and Vernon Jones. The ushers were from the student council.

NEWS ABOUT TOWN

The Brokenstraw Garden Club, which was scheduled to meet this week has been postponed until further notice.

A very interesting WCTU program was presented Friday at the Rouse Hospital, under the direction of Mrs. Desher. The devotionals were conducted by Rev. Chas. McIntyre. The Misses Helen Stevens, Henrietta Schneek, and Lois Brandwellin the group known as Jubilate Trio of Zion, Ill., who have been assisting in the U. B.

evangelistic services in Youngsville sang several groups of hymns and choruses.

Readings and recitations were given by Miss Ball, Mrs. Thayer, Mrs. Rogers, Miss Knapp, Mrs. Dinney and Miss Barbara Han-noid. Mrs. Thayer's little granddaughter sang two little songs and there was some assembly singing. A candy treat was given by the Union to the ladies at the hospital. Mrs. Ed Ash will be hostess Thursday, April 22 to the Woman's Relief Corps at a dinner meeting.

There was a large attendance at the Methodist church Sunday morning for the Palm Sunday service. Twelve adults were received into the church, and three infants were baptized. Mrs. Jack sang as a solo "The Palms". Rev. Dwight Jack used as his theme for the short sermon, "The Procession Passes On", referring to those who follow the Master. A class of ten young people will join the church Easter morning.

A baby girl was born on April 14 to Rev. and Mrs. Clayton Hays of Hope, Kentucky. Mrs. Hays was formerly, Florence Hazeltine of Youngsville.

When "they" offer their lives

... The Least "We" Can Do Is Back Them With Bonds

The Honor Rolls of all Warren County industries give eloquent evidence of how well the men of this community have answered the nation's call to arms. We at National Forge are immeasurably proud of the scores of our workers who are now with the colors.

Those men are risking everything they possess—including their lives—to bring us an early Victory and safeguard our American Way of Life for generations to come.

But this is not a war to be fought with bare hands. We must give our fighting men the fighting tools they need—guns, tanks, jeeps, and all the other equipment of mechanized war.

And that we can do. How? Why, it's the simplest thing in the world. Simply buy War Bonds—the safest investment on earth. For every Bond you buy not only hastens Victory, but increases your own personal protection by assuring your having "savings money" when it may most be needed.

And every Bond is a bargain! Where else can you get a sure \$25 by paying only \$18.75? So, no matter how many Bonds you may have bought already, buy more. It is mighty good business for you and mighty important for our fighters that you buy again—and again—and again!

AND THE DAY TO DO IT IS NOT TOMORROW . . . BUT TODAY!
